The establishment of MIT World Peace University, Pune was the outcome of an enduring quest for providing quality education to aspirants of higher professional education by visionary educationalist Prof. Dr. Vishwanath D. Karad having established Maharashtra Institute of Technology (MIT) in 1983 and made a niche position in highly competitive field of engineering education, MIT diversified in other academic disciplines. It is a matter of great pride that MIT group is rapidly growing into 72 institutions with more than 8000 teaching and non-teaching personnel catering to the educational needs of more than 54,000 students in over 12 universities across Maharashtra, with new universities at Ujjain in Madhya Pradesh, Shillong in Meghalaya and one coming up at Vishakhapatnam in Andhra Pradesh.

“ It delights me to learn that MIT World Peace University, Pune, is organizing National Level Inter-Engineering Sports Meet—"Summit 19" from 14th to 18th September, 2019. Journey So Far

In the earlier times, it was a challenge for engineering students to participate in sports events at University, State and National levels due to various reasons like long distances, cost of travel and absence of various opportunities and platforms in general. In order to give these students a fair chance to present their sports abilities, MIT, Pune decided to organize an annual sports fest dedicated for engineering students, which would club various sports competitions over a span of 5 days.

Thus, MIT Summit was first held in our college from 10th to 12th Sept '04, with 9 events and over 1,700 students participating from different colleges within Pune District. In 2007, on the prestigious day of Gandhi Jayanti, MIT institutes celebrated their Silver Jubilee and MIT Summit was declared a State Level Sports Meet. By 2009, MIT Summit grew to become a National Level Sports meet, with participation increasing to 3,500 students from over 85 colleges.

In the last two decades, MIT Summit has produced National & International players like Ajay Gandhi & Nitin Gandhi (Badminton), Anand Deshpande & Sushil Nandkarni (Cricket), Abhishek Bobade (Basketball), Ravneet Singh & Vivek Rai (Squash), Kapilesh Bhate (Equestrian Show Jumping), Sumedh Gangal (Golf), Pranav Khule (Power Lifting) and many more...

Our Commitment “Nation Building through Sports”

MIT-WPU is always keen to follow the ideals of the great noble son of India, Shri Swami Vivekananda

**“Our country needs a few strong men, with muscles of iron and nerves of steel”
“It is better to run after a football than to read the Gita”**

These words are a great source of inspiration to the management, faculty and students of MIT-WPU Institutions.
